Dear Ms. Kimberly Diegle
Re: Stormwater Construction Permit
Project ID Number: CSW--55198
Project Name: RTC Mill Street

Your submittal to be included under this General Permit has been approved effective 3/13/2025. For Stormwater Permits, please note that by submitting an NOI the permittee has certified that the project's Storm Water Pollution Prevention Plan (SWPPP) has been completed, that the SWPPP will be updated as necessary, and that it will be maintained at the permitted site.

At the time of any on-site inspections, our inspectors will ask to review your copy of the SWPPP in an effort to ensure proper compliance with the program.

Also note that Nevada Administrative Code (NAC) 445A.268 Section (5)(b) reads, in part, that a Permittee (discharger) who is covered under a general permit shall pay to the Director a nonrefundable fee of \$200.00 not later than July 1 of each year that the discharger is covered under that permit.

To Terminate coverage of this Nevada General Permit, the Permittee must submit a Notice of Termination ("NOT") form when their facility no longer has any discharges associated with this Nevada General Permit or EPA regulations at 40 CFR 122.26, or when they are no longer the operator of the site.

Questions regarding Stormwater permits, please contact (775) 687-9442.

Questions regarding other general permits, please contact (775) 687-9492.

Sincerely,
