Change in Discharge Information:

The site will be adding 0.62 acres to the covered site for a total of 10.50 acres.

I certify under penalty of law that I am the owner or operator of the site identified in this permit. I understand that I shall abide by all the conditions and terms of General Permit NVR100000. I understand that I am authorized to discharge stormwater associated with construction activity under General Permit NVR100000, and that discharging pollutants in stormwater associated with construction activity to waters of the United States is unlawful under the Clean Water Act where the discharge is not authorized by an NPDES permit. I also understand that I am liable for any violations of this permit or the Clean Water Act.
